Hi Mark,

One last request for information.

How many employees work for the Office of the State Auditor (OSA)?

How many employees work in the Audit Practice Division (APD)?

How many employees in the APD are Certified Public Accountants (CPAs)?

How many employees work in the Legal/Special Investigation Division (L/SID)?

How many employees in the L/SID are CPAs?

How many employees in L/SID are attorneys?

Who heads the L/SID?

Is the head of L/SID an attorney?

Thanks for your time, Jeff Wiita, CPA
